

## State University of New York at Buffalo EMS Fellowship Application Packet

The Mission of the EMS Fellowship at the State University of New York at Buffalo is to develop EMS Medical Directors who will effectively lead EMS Systems in their community.

Directions to Applicant:

The EMS Fellowship application consists of:

- A cover letter that states your interest in applying for the fellowship indicating an interest in either a 1 or 2 year fellowship.
- A current curriculum vitae
- A one page personal statement that describes your motivation to complete an EMS Fellowship and what you hope to achieve from the fellowship
- Three letters of reference from individuals who can comment on your abilities as a clinician, an educator, and prior work in EMS related activities. Two must come from physicians. All three must be mailed directly from your reference.

Please return the application to:
